

TOWN OF BRIGHTON
COMMUNITY SERVICES COMMITTEE

Minutes
July 25, 2016
9:30 a.m.

CONTINUING BUSINESS

Parks

Bicycles in Parks – signage/rules review – designation process.

Matt Beeman is reviewing park designations with Supervisor.

Baseball Contract – Issue summary by Matt is continuing.

Corbett's Glen Committee is being formed. Parking continues to be challenging.

Monroe GIGP

Refuse Container at ESL bus shelter. Dan Aman will call RTS regarding the lack of any refuse can at the bus shelter in front of ESL.

Parks and Recreation CAB – no meeting for July or August.

Farmer's Market

CFA grants are currently being considered as a funding opportunity for the Brighton Farmers Market and Performance space.

Beautification / Maintenance

12 Corner's Triangle - Table replacement. No progress.

Traffic Control Box Painting project

Application submissions will be submitted later in August after vacations.

Smoking Policy for Town Properties

Dan Aman has reviewed with Town Attorney Ken Gordon, and will review next with HR Director.

Park Law Review

Matt Beeman and Ramsey Boehner completed preliminary review and will continue review with Tim Keef and Supervisor.

NEW BUSINESS

Events schedule

Provided to C. Werner for announcements at Town Board

Volunteer Community service organizations

Engagement of community volunteers for town clean-up projects was discussed.

Louise would like to clean up weeds and grass along Elmwood Avenue curbs. Safety issue makes this inappropriate for citizen project even if volunteers were available.

Discussion ensued about available volunteer organizations and difficulty in maintaining participation. Summer part-time employees were suggested for various clean-up projects at Town Hall where they are already working.

Monroe Ave GIGP project maintenance and replanting and on-going funding was discussed. Maintenance district formation and process was also discussed.

Mid-summer mini-Clean Sweep event was discussed as a possibility. Adopt-a-highway concept was also considered.

Recycling

Recycling events now have vendor charges of \$.11/lb for electronics and-\$400 charge for 3 hours of shredding services (\$500 / 4 hrs and \$600/ 5 hrs.). Suggestion was for continuing recycling service using funds from the Keep America Beautiful Grant for as long as it lasts
