RE: PURCHASE USING SEIZED ASSETS ACCOUNT

Dear Board Members:

I hereby request that an amendment be approved to the 2017 Police Department operating budget to provide for sufficient appropriations for the purchase of the following items:

L-Tron 360 Degree Camera, hardware package (including an 8" Android tablet), software and software licenses, annual software support and 3 year replacement warranty.

I propose that the Proceeds of Forfeited Property be used to fund this purchase. I request that appropriations in account A.POLCE.3125.2.17 (law enforcement equipment) be increased by an amount not to exceed \$4,999.00. The total expenditure will be supported with the use of Forfeited Property account A.889.JSTCE. I have consulted with the United States Attorney's Office and they concur that the use of seized forfeiture asset funds for the purpose of this purchase is appropriate.

Respectfully,

Mark T. Henderson
Chief of Police

Dear Town Board Members:

I am recommending that the Town Board declare one (1) 2003 Chevy Impala (vin# 2G1WF55K139365872) as surplus and authorize its disposal via auction. This vehicle was originally purchased and used by the Police Department, but most recently has been utilized by Recreation staff. Because of its poor condition, the vehicle is no longer being used.

I would be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Suzanne Zaso
Director of Finance

Re: Rochester-Monroe County Youth Bureau Contract

Dear Finance Committee Members:

I respectfully recommend that you authorize the Supervisor to execute an agreement, as well as any additional paperwork as required, with the Rochester Monroe County Youth Bureau for the Town's 2017 funding. According to the terms of the contract, the County shall reimburse the Town in the amount not to exceed \$7,085. As you are aware, this funding is used in the development of our Youth Asset Building/Positive Youth Development Initiative. It is matched to partially offset the salary of the Recreation Director in her work with this program.

I will be happy to answer any questions you may have regarding this matter.

Sincerely,
