Facility/Park Report
Submitted by Matt Beeman 10/24/16

This is a brief report regarding our Facilities and Parks. We worked closely with all youth sports groups to maintain our Fields and facilities and I would like to commend the Park Staff for their hard work and dedication during the summer and fall sport seasons. They go above and beyond and take a great deal of pride in all areas of park maintenance.

TOWN PARK:

- Staff is getting ready for the Winter-months
- Annual Maintenance of Oil Heating System in Lodge
 - Firewood is being cut and re-stocked for lodge use
 - Trail clean-up and cut back
- Picnic tables and pavilions have been repaired and stained.
- Certain playground equipment has been replaced and updated
- We have chained a pathway off the South Clinton Entrance to the Park to stop vehicles from driving behind the pond
- All playgrounds have been re-surfaced with certified wood mulch

PERSIMMONS PARK:

- Cleanup of Park Garden
- Road Shoulder Repair along Eldridge Avenue has improved equipment access to Park.
 - Vegetation and Growth along South Clinton has been cut back

MERIDIAN PARK:

- Baseball Field Maintenance – Fields are being prepared to be cut and re-seeded
 - All perimeter trails are trimmed, cut back, chipped and repaired
 - All remaining athletic fields are being worked on (rolling, aeration)
 - Athletic Fields have been fertilized
- Phase 2 trails have been packed with new stone and bark chips where needed
- Meridian Centre Park and Buckland Park recently hosted a regional Lacrosse Tournament with over 80 teams participating. This is great exposure for the Town, with many teams lodging, eating and shopping in/near Town.
 - Park Water will be shut off on November 1st

BUCKLAND PARK:

- Athletic Field maintenance (re-seeding, aeration, rolling and fill-in)
- Field #21 remains closed as part of our resting process and will remain closed for the 2016 season.
 - Preparing to Winterize Facilities
- Park Water will be shut off on November 1st
 - Athletic Fields have been fertilized

- Buckland Park recently hosted a regional Lacrosse Tournament with over 80 teams participating. This is great exposure for the Town, with many teams lodging, eating and shopping in Town.
- Park Lodge interior windows have had all hardware replaced so they now function properly.
- We worked with Brighton Ambulance to have a portable AED mounted in a locked cabinet outside on the Concession building. The AED was part of a donation to Brighton Ambulance from the Tyler Kopp family. The AED has two combination number locks which will be given out to Youth Sport Groups who use the athletic fields at Buckland Park.

BUCKLAND FARMHOUSE/VETERAN'S MEMORIAL:

- We are scheduling a Fall clean-up at both sites to cut back perennials and general site clean-up

CORBETT'S GLEN:

- Ongoing landscape /trail maintenance to keep trails clear of debris. Trail maintenance continues to take a lot of time because we have to manually bring all material on site with our Park vehicles and equipment. We are just able to start trail maintenance with our current break from mowing the parks this year
