re: Snow and Ice Control of Allens Creek Road Agreement  
with the Town of Pittsford (2017/2018)

Dear Chairperson DiPonzio and Committee Members:

As you are aware, the Towns of Brighton and Pittsford have previously entered into an IMA for the Town of Brighton to perform snow and ice control upon that portion of Allens Creek Road within the Town of Pittsford. At this time I am requesting your support to renew the IMA for the upcoming season. The Town of Pittsford reimburses us at the same rate that the County reimburses us for the same service upon County Roads. Therefore, I request that the Finance and Administrative Services Committee recommend that the Supervisor be authorized to execute this document. I also request that a maximum of four future renewals of the contract be permitted thereafter by approval and endorsement of the Supervisor.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled October 31, 2017 meeting in the event that you have any questions regarding this matter.

Sincerely,

Timothy E. Keef, P.E.  
Commissioner of Public Works

Re: Medicare Health Plan Renewals for 2018

Dear Board Members:

Attached are the renewal rates and plan summaries for 2018 for the Medicare Health plans that are currently offered through the Town to eligible post-65 retirees and post-65 retiree spouses.

Also attached are rates and plan summaries for 2018 for a Medicare Gold Anywhere PPO plan. By changing from the current MVP Gold HMO to the MVP Gold Anywhere PPO, it will enhance the network available to its participants.

I am recommending that the Town Board authorize these plan options for 2018, the change from the current MVP Gold HMO to MVP Gold Anywhere PPO and authorize the Supervisor to sign any related documents with the insurance carriers, Excellus BCBS and MVP Health Care.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Re: Health Plan Renewals for 2018

Dear Board Members:

Attached are the proposed renewal rates and plan summaries for 2018 for the health plans that are currently being offered through the Town to eligible employees and retirees.

I am recommending that the Town Board authorize the renewal of the current health plans, including the \$3,000/\$6,000 High Deductible Health Plan along with a Health Savings Account contribution to eligible active non-represented Town employees and authorize the Supervisor to sign any related documents with MVP. Regarding the Health Savings Account contributions, I am recommending that the contributions for 2018 to be as follows: \$800.00 single, \$1,600.00 2-person and \$2,000.00 family with 25% of the amount being contributed in January and the remaining balance distributed equally over the remaining payroll pay periods.

Re: Dental Plan Renewals for 2018

Dear Board Members:

Attached are the proposed renewal rates and plan summaries for 2018 for the self-funded dental plans that are currently being offered through the Town to eligible employees and retirees. Based on experience, the Town's insurance broker, Brown & Brown of NY, has recommended that the equivalency rates for these plans remain unchanged from 2017. Please note that within these rates is an administrative fee that is charged by the third party administrator, Excellus BCBS. Excellus is proposing a 4% increase in this fee for 2018 (from \$3.96 per month per contract to \$4.12).

I am recommending that the Town Board authorize the renewal of the dental plans with no change in rates for 2018 and authorize the Supervisor to sign any related documents with Excellus BCBS.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Re: Flexible Spending Administration - Lifetime Benefit Solutions, Inc.

Dear Board Members:

I am requesting that the Town Board authorize the continuation of the services of Lifetime Benefit Solutions Inc. for the administration of employee flexible spending accounts. There currently is a minor change in the 2018 pricing with an annual compliance service fee of \$325 and a per participant monthly fee increasing from \$3.00 in 2017 to \$3.15 in 2018.

I am recommending that the Town Board authorize the continuation of services for 2018 and authorize the Supervisor to sign any related documents with Lifetime Benefit Solutions Inc.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Re: Vision Eyewear Plan for 2018

Dear Board Members:

Attached are rates and plan summary for 2018 for a new EyeMed Vision/Eyewear Benefit made available to all members of FLMHIT. By offering this to our employees, we are adding a great employee paid benefit at no premium cost to the Town.

I am recommending that the Town Board authorize the addition of the EyeMed Vision/Eyewear Benefit to all eligible active full time and part time benefit eligible non-represented Town employees and authorize the Supervisor to sign any related documents with EyeMed/Brown & Brown.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Re: Transfer of funds –Playground equipment replacement

Honorable Members:

I would like to recommend that a budget transfer be approved from the following:

**Frankel Park trail maintenance supplies (A.PARKS 7126 4.11) in the amount of \$3,100**

**Corbett's Glen trail maintenance supplies (A.PARKS 7122 4.11) in the amount of \$1,700**

**Buckland Park maintenance repair/service (A.PARKS 7115 4.41) in the amount of \$2,220**

**To the following:**

**Parks Administration recreation equipment (A.PARKS 7021 2.50) in the amount of \$7,020.00.**

We currently have a depleted budget for replacement playground equipment and parts. During our playground inspections we have identified three large slides at separate locations which are cracked and will need to be replaced. Because the replacement cost is high and exceeds what is usually budgeted we needed to wait until the end of the maintenance year to recommend a transfer. We have recently completed all trail maintenance at Frankel Park and Corbett's Glen thus the respective budgets will have remaining funds. While it has been a tough year in some park areas, others such as the maintenance service budget at Buckland Park is below anticipated cost and projected to have remaining funds.

This transfer will allow us to secure this much needed replacement playground equipment before the next fiscal year and put us ahead of schedule to get the items installed. I would be happy to answer any questions regarding this matter.

Sincerely,

Matt Beeman

Re: Contract with Penflex Inc. for GASB 73 Actuarial Reporting Services

Dear Town Board Members,

I am recommending that Your Honorable Body authorize the Supervisor to execute an agreement with Penflex, Inc. to provide actuarial services as required by GASB 73. This new GASB requirement for reporting supplemental information relating to the Town sponsored service awards program for the past volunteer fire fighters of the West Brighton Fire Protection District's Service Award Program will be required to be a part of the Town's 2017 year-end financial statements. Penflex Inc., as the third party administrator of the LOSAP program, already has all the information necessary to perform these services. The fee for these services will be \$750.

The base fee for 2017/18 will be \$3,700 (no increase from prior contract) and certification and trustee directive letters are \$125 each (no change). The total fees to be paid for services in 2017/18 are estimated at \$4,000. (This amount can be impacted by the number of certification/recertification letters completed plus an additional audit assistance fee, if necessary.)

I would be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,
