Dear Chairman DiPonzio and Committee Members:

Re: Town of Brighton Operation Center
HVAC Rooftop Unit Replacement
Contract Award

Dear Councilperson DiPonzio and Committee Members:

The bids for the above referenced project were publicly advertised and publicly opened, all as required by law. Bids were received and opened on December 22, 2017 at 10:00 AM.

Thirteen HVAC contractors obtained bidding documents. However, only three contractors submitted bid proposals. Table-1 lists the contractors and their corresponding bid pricing. EMCOR Services Betlem whose bid amount is \$24,186.00 is the low bidder.

Table-1

Contractor	Bid Price
EMCOR Service Betlem	\$ 24,186.00
Triple O Mechanical Inc.	\$ 42,926.00
Pipitone Enterprises, LLC	\$ 28,890.00

Town staff reviewed the bids for completeness and accuracy and contacted EMCOR Services Betlem to confirm that their bid was complete. Based upon staff's review the low bid submitted by EMCOR Service Betlem is a true representation of the costs to complete the project and the contractor is qualified to complete the works of the Contract.

The bid amount is less than the amount budgeted for the building improvements, \$44,000. Therefore, I am requesting that FASC recommend that the Town Board award the bid to replace the two rooftop HVAC units on the Town of Brighton Operations Center to the low, responsible and responsive bidder, EMCOR Service Betlem for a bid cost not to exceed \$24,186.00. I further recommend that the Supervisor be authorized to execute any necessary change orders that do not collectively exceed ten percent of the awarded contract price.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled January 2, 2018 meeting in the event that you have any questions regarding this matter.

Respectfully,

Michael E. Guyon, P.E.

RE: 2018 Boarding and Veterinary Services Agreement

Dear Board Members:

I recommend that the Supervisor be authorized to execute an agreement between the Animal Hospital of Pittsford and the Town of Brighton for the provision of boarding and veterinary services. This contract is for the period beginning January 1, 2018 through December 31, 2018. This year's proposed contract represents a slight increase in some of the fees for services provided by the Pittsford Animal Hospital.

Possible alternatives to Pittsford Animal Hospital have been researched; however no other animal hospital offers a 24 hour emergency service site to compare to the Animal Emergency Services. AES is a division of Pittsford Animal Hospital.

Thank you for your consideration. I would be happy to answer any questions you may have regarding this request.

Respectfully,

Mark T. Henderson
Chief of Police

December 5, 2017

The following proposal is submitted to **Town of Brighton** Animal Control by Pittsford Animal Hospital (AHOP)/Veterinary Specialists and Emergency Service (AES), (hereafter referred to as "provider") for providing leased space for shelter and professional veterinary services under contract with the Town of Brighton.

1. The contract will be for one year, ending **December 31, 2018**.
2. Provider will provide shelter for stray dogs, cats, and/or injured animals picked up by Brighton Animal Control or good Samaritans within the Town of Brighton. Provider will contact Brighton Animal Control when a Good Samaritan or police officer brings an animal to the hospital. The number of animals sheltered at one time will not exceed six without specific approval of the Hospital Director.
3. Animals placed in the shelter will be provided food, water, and exercise on a scheduled basis. Medical treatment will be administered under the supervision of the hospital veterinarians as approved by the Animal Control Officers.
4. Immediate emergency care, on a minimal life support basis, will be provided for any animal in critical condition or experiencing undue suffering at the veterinarian's discretion. In these cases, the Animal Control Officer will be notified as soon as possible.
5. The Brighton Animal Control Officers will communicate directly with the doctor assigned to the injured animal, or Dr. Wihlen at AHOP in regard to the medical care disposition of the animal.
6. Animals with chronic medical problems will not be treated for their problems at Town of Brighton expense.
7. Emergency care for animals picked up after the hospital is closed will be handled by the Veterinary Specialists and Emergency Service at 825 White Spruce Blvd. **However, all strays must be picked up from Veterinary Specialists and Emergency Service and transferred to Animal Hospital of Pittsford by 10AM on the first morning that Animal Hospital of Pittsford is open for business.** Well animals picked up by the town may be brought to Pittsford Animal Hospital for impounding on Sundays and holidays when a kennel worker is present to admit the Animal Control Officer to the hospital.
8. All initial communication with the public will be handled through the Brighton Animal Control. This will include initial lost dog inquiries, initial injured animal inquiries, and updated vaccinations information. The hospital will release animals to owners/harborers only when the proper release forms have been obtained, fees have been satisfied, and/or on direct instructions from the Animal Control Officers.
9. Fees to be collected by the Brighton Town Clerks Office or Brighton Animal Control Officers prior to the release of any animals include charges for seizure, boarding, and license fees.

4d.

10. All fees owed to the Provider for services rendered, except boarding, will be paid directly to the Hospital by the animal owner/harbinger.
11. Provider will bill the Town of Brighton on a monthly basis for boarding, euthanasia, and cremation fees accrued during the month.
12. All adoptable animals that are not claimed upon completion of the required impound period are to be taken to the Monroe County Humane Society by Brighton Animal Control, dependent upon the Humane Society's willingness to accept the animals.
13. A schedule of fees is attached.

4e.
