Re: Bid Award and budget appropriation for 2019 Ambulance Purchase

Dear Board Members:

I request that Your Honorable Body authorize and award the bid for the purchase of one (1) 2019 Demers Type II Ford Transit 250 Gas Medium roof ambulance to North Eastern Rescue Vehicles of Syracuse NY. The base bid for the Ford with the Demers chassis is \$ 79,400 (without air horns) plus the all the options as listed in Additional Option package totaling \$5,450 for a total bid award not-to-exceed cost of \$84,850.

Attached is a listing of bid responses received. Brighton Volunteer Ambulance developed the technical specifications for the ambulance, reviewed the bid responses, and is making the recommendation to award the purchase contract to North East Rescue Vehicles. Any additional costs over \$84,850 will be the responsibility of Brighton Volunteer Ambulance (see BVA's recommendation letter dated 9/27/2019).

Town Board authorization is also requested to make the following budget amendment to appropriate assigned, unappropriated fund balance that was anticipated to be used for an ambulance purchase, to the 2019 budget to facilitate the purchase of the ambulance:

- Appropriate \$9,850 to budget account SA.AMBUD.3600 2.25 (emergency response vehicles) from SA 909 (fund balance).

I would be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,
Paula Parker

OFFICIAL MEMORANDUM

DATE: September 27, 2019

TO: Town of Brighton Finance Committee; Paula Parker

FROM: Dennis Mietz, Vice President

SUBJECT: AMBULANCE REPLACEMENT #3079

DM

Dear Paula & All Finance Committee Members:

Please be advised that since we cannot obtain a chassis from Mercedes Benz for 6-20 months, the Board of Directors will accept the bid from North East Rescue Vehicles in the amount of \$84,750 for a Demers Type II Transit. This includes all the clarified options (copy attached.)

We did not include the \$1,500 for the performance bond since in our opinion it is not required due to our track record with this vendor.

We will discuss the issues with the Mercedes situation at the meeting.

Thank you in advance for your anticipated cooperation.

Re: Dental Plan Renewals for 2020

Dear Board Members:

The proposed renewal rates and plan summaries for 2020 for the self-funded dental plans that are currently being offered through the Town to eligible employees and retirees have been reviewed. Based on experience, the Town's insurance broker, Brown & Brown of NY, has recommended that the equivalency rates for these plans remain the same as the 2019 monthly premium rates (Police: Single - \$34; Family - \$84 and all other Employee Groups: Single - \$31; Family - \$77). Please note that within these rates is an administrative fee that is charged by the third party administrator, Excellus BCBS. Excellus is proposing a 2.6% increase in this fee for 2020 (from \$4.20 per month per contract to \$4.31 per month).

I am recommending that the Town Board authorize the renewal of the dental plans with no change in rates for 2020 and authorize the Supervisor to sign any related documents with Excellus BCBS.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Tricia Van Putte
Director of Personnel
