

**TOWN OF BRIGHTON TOWN BOARD
FINANCE AND ADMINISTRATIVE SERVICES COMMITTEE
MEETING AGENDA**

Meeting Date: Tuesday, September 14, 2021 (3:30 p.m.)

Location: Auditorium, Brighton Town Hall

1. Approval of Minutes – Receive and file minutes of the September 1st, 2021 meeting.
2. Approve appointment of one Office Clerk III position in the Police Department effective September 27, 2021 (Police Dept.) – Request from Chief David Catholdi for Town Board action to approve an appointment to the position of Office Clerk III full-time in the Brighton Police Department. This appointment will be effective September 27, 2021 at the starting hourly wage rate of \$35,471.80 annually in accordance with Group 2, Step 1 on the Non-Represented Full Time Salary and Wage Schedule. This Civil Service appointment is also dependent upon successful completion of all background checks and will serve a 52 week probationary period (see letter from D. Catholdi).
3. Approve contract amendment for In.Site Architecture for Phase 3 design services for the Winter Farmers' Market in a maximum amount not to exceed \$143,800 (Public Works Dept.) – Request from Mike Guyon for Town Board action to amend the current contract with In.Site Architecture to add design services for Phase 3 of the Winter Farmers' Market project. The contract amendment for the Phase 3 design services will not exceed \$135,000 with an additional amount of \$8,800 for services outside the design scope (i.e. attending and presenting at public meetings) with the maximum cost of the amendment not to exceed \$143,800. Additional SAM Grant funds have been secured for this project in the amount of \$500,000 (see letter from M. Guyon).
4. Approve promotion of Carl Jones to Senior Motor Equipment Operator (Sr. MEO) effective September 27, 2021 (Highway Dept.) – Request from Mike Guyon for Town Board approval for the promotion of Carl Jones from Motor Equipment Operator (MEO) to Senior Motor Equipment Operator (Sr. MEO) effective September 27, 2021. Mr. Jones will serve a 26 week probationary period with all other terms in accordance to the CSEA bargaining unit contract (see letter from M. Guyon).
5. Approve/Authorized the purchase of one (1) 2020 Type II Demers Type II Sprinter Ambulance via the Eagle County, Co./SAVVIK purchasing group and budget amendment (Ambulance District) – Request from Paula Parker and Dennis Mietz for Town Board action to approve the purchase of a 2020 Sprinter type II Demers Ambulance in the amount of \$102,800. The purchase of this ambulance is via the Eagle County Health Service District in Colorado with SAVVIK Buying Group as administrator. Further approval for to appropriate \$32,800 for the SA909 Fund Balance to account SA.AMBUD.3600 2.25 Emergency Response Vehicles (see letter from P. Parker with attachments)

6. DISCUSSION on the 2022 Budget (Finance Dept.) – Discussion item only to update the committee on the 2022 Budget request and potential reductions.
7. DISCUSSION: Public Hearing for Local Law to exceed the Tax Cap (Finance Dept.) – Review with the committee the Tax Cap data for 2022.

The next regularly scheduled meeting of the FASC will be held on **TUESDAY, **OCTOBER 5, 2021 at 3:30 p.m.** in the AUDITORIUM at Brighton Town Hall.**

All members of the public are invited to attend FASC meetings.

Re: Hiring of Sharon Hendrickson, Office Clerk III

Dear Board Members:

As a result of recent retirements, there currently exist two full-time clerical vacancies in the Brighton Police Department. After an extensive search for qualified candidates, Ms. Sharon Hendrickson has been selected to fill one of these positions.

Ms. Hendrickson is currently ranked #35 with a score of 85% on the Monroe County Civil Service list of eligible candidates for Office Clerk III.

I respectfully request that the Honorable Town Board authorize the hiring of Sharon Hendrickson to the position of Clerk III within the Brighton Police Department, at the salary of \$35,471.80 (Step 1).

The start date for Sharon Hendrickson will be Monday, September 27, 2021.

Respectfully,

David Catholdi
Chief of Police

Re: Town of Brighton Winter Farmer's Market
Design of Remaining Buildings
Phase 3.0

Dear Councilperson DiPonzio and Committee Members:

We recently completed Phase 2 of the Winter Farmer's Market project. Phase 1 & 2 included installing a concrete floor, renovating the exterior of the existing barn, extending utilities to the Barn, constructing the Westfall Road crossing and trail, and completing the interior improvements to the existing barn. The Town has secured an additional \$500,000 to complete Phase 3 of the project. Phase 3 includes the design and construction of the remaining buildings and completion of the project site work.

In.site.architecture completed the design of Phase 1 & 2 of the Winter Farmer's Market improvements. The total design and construction administration fees for phases 1 and 2 was \$141,335 and \$39,700 respectively or \$181,035 in total. We would like to amend in.site.architecture's agreement to include the services necessary to complete the design and provide construction administration services associated with Phase 3. These architectural services will include building layout, structural, mechanical, electrical, plumbing, fire protection, exterior and interior design; the development of contract documents; bidding; and construction administration. In.site.architecture has provided a proposal which estimates that the maximum cost to provide these professional services is \$135,000. The proposal also stipulates that attendance and preparation of presentation materials for public meetings could result in an additional maximum cost of \$8,800. Phase 3 should not require additional public meetings. A copy of this proposal is attached for your reference.

I am requesting that the FASC recommend that the Town Board authorize the supervisor to endorse an amendment to the in.site.architectural agreement for the professional services to complete the design and provide construction administration services associated with Phase 3 of the Winter Farmer's Market project for a cost not to exceed \$135,000. The total design and construction administration contract price for phase 1, 2, and 3 is \$316,035. I further recommend that the Supervisor be authorized to execute any necessary change orders that do not collectively exceed \$8,800. Grant funding has been secured to fund these design services.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled September 14, 2021 meeting in the event that you have any questions regarding this matter.

Sincerely,

Michael E. Guyon, P.E.
Department of Public Works

RE: Winter Farmers Market - Phase 3.0

Dear Mike,

We are pleased to provide this proposal for the next phase of the Winter Farmers Market. We understand this phase of the project involves the construction of an addition to the renovated barn. This addition is proposed as (2) structures to be constructed in a single phase: a connector building with a footprint of approximately 1150 square feet, and roughly 2600 square feet of market shed building. The following is a breakdown of the scope of work and associated professional fee.

Phase 3.0 Scope of Work:

1. Design of connector and market shed buildings, including design of all related structures and systems. Proposal includes time for meeting with the Town of Brighton to establish program and space needs.
2. Scope also includes time to develop and prepare materials for use by the Town of Brighton in their presentation and review process both internally and with the public.
3. Consultant services include Structural, Mechanical, Electrical, Plumbing and Fire Protection Engineering. Also includes consultant for soil testing and assessment.
4. Scope of our services will not extend beyond perimeter of building. Utilities will extend 5'-0" beyond building for tie-ins to be completed by others. All site work, including utilities, site access points and drives, parking and landscaping to be completed by others and is not included in the scope of this proposal.
5. Services provided include construction drawings, specifications, one cycle of bidding, and construction administration. Any revisions to the contract documents after bidding is complete will be considered additional services.
6. A single bid alternate package to complete the loft as finished office space, with an interior stair to provide access between the loft level and connector building is included in the scope of services.

Professional Fee: The cost to provide the above scope of services would be in the range of \$116,000 to \$135,000, with the upper end as a not-to-exceed amount.

The upper end of the above fee is broken down as follows:

Consultant Services:	\$26,000.00
Architectural Services	
SD/DD:	\$30,100.00
Contract Documents:	\$31,800.00
Bidding:	\$11,200.00
Construction Administration:	\$35,900.00
<hr/>	
Total:	\$135,000.00

The above does not include hours to attend and present to the Town of Brighton or any public presentation and review meetings; including presentation to the Architectural Review Board and any public informational sessions. This additional scope could be in the range of \$6,300 - \$8,800 and can be discussed in more detail should these services become necessary.

We look forward to the opportunity to continue working with the Town of Brighton to see this next phase of the project successfully completed.

If you have any questions or would like clarifications on the proposed scope of work please feel free to contact us.

Sincerely,

A handwritten signature in black ink, appearing to read "Rick Hauser", followed by a long horizontal flourish.

re: Proposed Promotion
Motor Equipment Operator, MEO, to Senior Motor Equipment Operator, Sr. MEO

Dear Chairman DiPonzio and Committee Members:

We recently interviewed five candidates for this position and selected Carl Jones to fill the vacancy. Therefore, I am recommending:

- 1) Mr. Carl Jones be promoted from Motor Equipment Operator, MEO, to Senior Motor Equipment Operator, Sr. MEO, effective September 27, 2021 subject to Town Board action;
- 2) The promotion is subject to a 26-week probationary period effective as of September 27, 2021;
- 3) The other terms of hiring and employment shall also be in accordance with the current CSEA contract as well as other necessary documentation that shall be provided to our Human Resources Department.

This appointment and position is classified as "noncompetitive" by the Monroe County Civil Service Commission. This position and salary has been accounted for in the 2021 budget. Mr. Jones is a well-qualified candidate as demonstrated by his experience.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled September 14, 2021 meeting in the event that you have any questions regarding this matter.

Sincerely,

Michael E. Guyon
Commissioner of Public Works

Re: SAVVIK Bid Award and budget appropriation for 2020 Ambulance Purchase

Dear Board Members:

I request that your Honorable Body authorize the Eagle County Health Service District bid administered by SAVVIK Buying Group for the purchase of one (1) 2020 Demers Type II Sprinter ambulance to North Eastern Rescue Vehicles of Syracuse NY. The base bid for the Sprinter is \$ 102,800.

Unfortunately, no actual bids were received and the Town joined SAVVIK a national organization that administers bids for ambulances and other public safety supplies through Eagle County Health Services in Colorado. Brighton Volunteer Ambulance developed the technical specifications for the ambulance, reviewed the Eagle County bid specifications, and is making the recommendation to purchase this vehicle through North East Rescue Vehicles – an authorized Eagle County/SAVVIK Demers vendor. Any additional costs over \$102,800 for the base price of the ambulance will be the responsibility of Brighton Volunteer Ambulance.

Town Board authorization is also requested to make the following budget amendment to appropriate assigned, unappropriated fund balance that was anticipated to be used for an ambulance purchase, to the 2021 budget to facilitate the purchase of the ambulance:

- Appropriate \$32,800 to budget account SA.AMBUD.3600 2.25 (emergency response vehicles) from SA 909 (fund balance).

I would be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Paula Parker
Director of Finance

Town of Brighton

9/14/21

Hello Paula,

Demers is a certified vendor for SAVVIK and we are the designated NY representative for Demers. Therefore, we are able to provide you with a Demers SAVVIK quote.

Please let me know if you have any additional questions.

Thanks,

Tom Toy

Area Sales Manager

Town of Brighton
2300 Elmwood Avenue,
Rochester, New York, 14618
9/3/21

Dear Members of the board,

First off, I would like to thank you for taking the time to consider one of my ambulances. I have put together information that will hopefully be satisfactory to you and your Board.

Demers

Demers' 50 years of experience and customer feedback have led to continual upgrades, improvements, and innovations, driven by the philosophy that every single detail contributes to a superior vehicle. Details that today make Demers ambulances some of the safest on the road, and that deliver significant, and tangible added value in terms of safety, ingenious design and ergonomics, along with low operating costs. Detail by detail, Demers has been raising the bar, making ambulances which exceed the sum of their parts and are standouts in the industry. Ambulances engineered to keep your people safe. So, they can keep on saving lives.

Bid Prices

The price for the ambulance that we bid is as follows:

NERV Ambulance Pricing	Cost
Demers TII - 2020 Mercedes Sprinter Van EXE	\$102,800

Additional options

These options are **NOT** included in the pricing above, but can be added:

- Lettering and striping: **\$3,500**
- Remove and re-mount hand sanitizer station from existing unit: **\$50**
- Remove and re-mount SSCOR VX-2 Suction unit from existing unit: **\$250**
- Remove and re-mount thermometer mount from existing unit: **\$50**
- Remove and re-mount Harris Mobile radio and speaker from existing unit (with antennas): **\$800**
- Remove and re-mount two (2) Harris portable radio chargers from existing unit: **\$150**

Again, thank you for taking the time to consider us. I love to continue to work with both you and your town. Just let me know what I can do. If you have any questions, please feel free to call me at any time at (716) 984-0058. Also, I can be e-mailed at tctoy87@hotmail.com.

Sincerely,
Tom Toy III

Purchase Agreement

FWB-DIV-15	Pass-through sliding window Pass-through sliding window on front division for communication with cab. Type 2	1.00
FWB-RGT-19	Lower front partition with retaining straps Lower front partition with retaining straps in front TS ALS compartment	1.00
FWB-RGT-21	Upper front partition with doors Upper front partition with doors EX	1.00
FWB-RGT-27	Right side division without drawer EX Right side division without drawer EX, Stair chair compartment and bag compartment	1.00
FWB-RGT-28	Upper lateral partition closed (no access) Upper lateral partition closed (no access)	1.00
FWB-SUP-13	Dual lock narcotic box in front partition Dual lock narcotic box in front partition	1.00
SR00082597	Install (2) "U" shaped hooks on curbside portion of the ALS cabinet Install (2) "U" shaped hooks on curbside portion of the ALS cabinet mounted 10" apart, 46" from floor height to hold Ferno folding stair chair.	1.00
26-Attendant seat (AST)		
Item Number	Name/Description	Quantity
AST-HRS-26	EVS 1860 3Pts Vac-Formed Seamless ChildSeat, Fixed EVS 1860 3Pts Vac-Formed Seamless Child Seat, Fixed Base	1.00
27-Cot Configuration (COT)		
Item Number	Name/Description	Quantity
COT-POS-22	Universal floor configuration Universal floor configuration. Includes universal reinforcement for OEM chassis for all standard positions. No floor cutouts or cot fastener included.	1.00
28-Rear Control Panel (CAR)		
Item Number	Name/Description	Quantity
CAR-CTR-13	Switches with LED backlit pictogram - TYPE II Switches with LED backlit pictogram - TYPE II	1.00
29-Oxygen (OXY)		
Item Number	Name/Description	Quantity
OXY-CMP-11	Oxygen Compartment rear curbside Vertical Oxygen Compartment rear curbside Pivoting access door for oxygen tank. (Included)	1.00
OXY-NTW-13	Oxygen Outlets, Three (3) Three (3) oxygen outlet, two (2) in ECC, one (1) on curbside	1.00
OXY-OUT-11	Oxygen Outlet, Quick-Connect Quick-connect style oxygen outlet.	3.00
OXY-REG-12	Oxygen Regulator, Manual, Sensor and Dig. Read-Out Manual oxygen regulator with pressure sensor and digital read-out.	1.00
OXY-REG-13	Oxygen Control Valve, Electronic, Manual By-Pass Electronic oxygen control valve with manual by-pass.	1.00
OXY-SPO-17	"D-size" Portable oxy storage (2) in squad bench "D-size" Portable oxygen cylinder storage (2) located in squad bench	1.00
OXY-SPR-18	Universal vert oxygen cylinder holder "K" or "M" Universal vertical holder for main oxygen cylinder type "K" or "M"	1.00
31-Suction (SUC)		
Item Number	Name/Description	Quantity
SUC-LOC-11	Suction System location in ECC Main suction system is located in front streetside action area.	1.00
SUC-MOT-11	Thomas high flow vacuum pump Thomas high flow vacuum pump	1.00

Purchase Agreement

SUC-OUT-11	Vacuum outlet QD in action area Vacuum outlet QD Puritan with yellow 5/16" hose 4 ft long	1.00
SUC-REG-11	Vacuum regulator with disposable canister Vacuum regulator with disposable canister (Rico RS-4X)	1.00

32-Electrical System (ELE)

Item Number	Name/Description	Quantity
ELE-ALT-11	Power Inverter, Xantrex Freedom, True Sine, 1000W The inverter/charger provides AC power using the DC power from the conversion battery bank. Recharge all battery banks and power all 120 volts AC outlets when the external shoreline is connected.	1.00
ELE-ALT-13	Super Auto Eject Power Inlet, 15 Amps, Yellow Kusmaull 120 Volts AC, 15 Amps Automatically disconnects shoreline Completely sealed Yellow cover Indicator light	1.00
ELE-ALT-15	Electrical Outlet, 120V AC with Indicator 120V AC hospital-grade electrical outlets with indicator. (Included)	1.00
ELE-CON-14	Electrical Outlet, 12V DC 20 amp with Indicator 12V DC, 20 amp Duplex electrical outlets. (Included)	1.00
ELE-CON-17	Add 12V DC outlet with indicator Additionnal 12V DC outlet with indicator. Details and location are as follows: Add'l 12V outlet in the chassis cab front console	1.00
ELE-CON-19	Two (2) OEM batteries Two (2) OEM batteries for Type II vehicles. (Included)	1.00
ELE-GES-13	Demers Multiplex system - Mercedes Demers Electronic Management System (DEMS) - Multiplex system - Mercedes.	1.00

33-Communication System (COM)

Item Number	Name/Description	Quantity
COM-RAD-11	Pre-Wiring for 2-Way Radio, Two (2) Antenna Cables Wiring preparation for two-way radio, with two (2) antenna cables. (routed from front cab to radio communication compartment)	1.00
COM-RAD-14	Radio Communications Compartment Radio communications compartment universal board, Bussmann blade-type fuse panels, and harness to power the radio communication devices. (12V battery feed, ground, ignition).	1.00
COM-REC-11	Data Recorder Available Signals Data recorder available signals through a universal connector in the electrical compartment. (Included)	1.00
SR00082548	Custom radio communication installation Custom radio communication installation-nstall one (1) antenna on the roof of the ambulance for a 700 MHZ antenna. Antenna wires will be run and terminated in the driver compartment for customer installation (Leave enough wiring for installation flexibility 6'tails)	1.00

34-HVAC (CVC)

Item Number	Name/Description	Quantity
CVC-AUX-26	Condenser 39000 BTU, Underneath Simplicity Air Condenser 39000 BTU, Underneath Simplicity Air	1.00
CVC-CLD-14	Independant non ducted AC system The compressor, condenser and evaporator form an assembly independant of the OEM, cooling the air of the patient compartment through the ducted outlets.	1.00
CVC-HOT-14	Tie-in heating unit ducted below medical cabinet Tie-in heating unit ducted below medical cabinet. (Included)	1.00
CVC-VNT-16	Exhaust fan single	1.00

Purchase Agreement

One (1) exhaust fan for contaminated air. Activated by front control interface or rear console switch. (Included)

35-Interior Lights (ILG)

Item Number	Name/Description	Quantity
ILG-PLF-11	LED Dome Lights, Adjustable, Dig. Timer The ceiling lights have four (4) different intensities. Each time the ceiling lights button is pushed, the intensity increases, until maximum intensity is reached.	7.00

36-Grab Handles (GBR)

Item Number	Name/Description	Quantity
GBR-COL-12	Grab Bars Color, Yellow Color of selected grab bars is Yellow.	1.00
GBR-EMB-11	Embarking Grab Bars, 12" Two (2) entry grab bars, 12" each, mounted inside the patient compartment. One (1) near the curbside entry door, and one (1) near the R2 rear entry door. (Included)	1.00
GBR-PLF-13	One (1) ceiling mounted grab rail, 60" One (1) ceiling mounted grab rail, 60"	1.00

37-Finish and Trim (FNS)

Item Number	Name/Description	Quantity
FNS-FLR-15	Altro Reliance 25, Midnight Altro Reliance 25 Midnight floor covering.	1.00
FNS-GRD-11	Cobalt Blue Upholstery Cobalt blue vinyl upholstery for seat and padding covering. (Included)	1.00
FNS-GRD-15	Safety Yellow Upholstery Yellow vinyl upholstery for safety exit padding covering. (Included)	1.00
FNS-MAT-16	Insulation ethafoam between chassis and floor Insulation (0,125 ethafoam) between chassis and floor boards. (Included)	1.00
FNS-MAT-17	Plywood wood flooring Exterior grade plywood, 0,625 inches thick.	1.00
FNS-PLF-11	Fiberglass Ceiling Fiberglass ceiling in Patient Compartment. (Included)	1.00
FNS-STK-11	General Vehicle Identification Vehicle general labels identification. (Included)	1.00

38-Functionality (FCT)

Item Number	Name/Description	Quantity
FCT-LFT-15	Sharps Container in Front Action Area Sharps disposal container with bracket installed in the front action area (ECC).	1.00
FCT-PLF-11	Radio Speakers, Recessed, Two (2) Two (2) recessed radio speakers. (Included)	1.00
FCT-PLF-14	Three (3) recessed/flexible IV hooks in ceiling Three (3) recessed/flexible IV hooks in ceiling	1.00
FCT-RGT-15	Glove box compartment, Four (4) boxes Glove box compartment above squad bench for four (4) boxes.	1.00
FCT-RGT-21	Trash Container, Flip-Down, Hands-Free Trash container bracket in curbside flip-down container.	1.00

Item Number	Name/Description	Quantity
SR00082599	Provide and Install Whelen Red LED inner edge light bar for Sprinter (dash I Provide and Install Whelen Red LED inner edge light bar for Sprinter (dash light)	1.00

2020 Demers Sprinter
