Re: Request for Proposals, (RFP)  
Town of Brighton Farmer's Market  
Professional Services

Dear Chairperson DiPonzio and Committee Members:

The Town Board authorized the preparation and solicitation of a request for proposal for professional consulting services on August 25, 2021 for the Town of Brighton Town Hall Evaluation. The consultant selected for this project will review the HVAC system and propose upgrades to the system to improve energy efficiency and comply with the latest COVID air quality requirements. Additionally, the consultant will conduct a space needs assessment, code compliance evaluation, schematic design for the main level and lower level of the Town Hall building and develop an accurate probable cost of construction for various phases of the project.

The Town of Brighton solicited a Request Proposals for professional services for this project in September 2021. The Request for Proposal was advertised on the Town of Brighton website and twelve responses were received on October 21, 2021.

The Department of Public Works staff evaluated the proposals and after much deliberation selected three firms, Wendel, SWBR and In/Ex Architecture P.C. to submit additional information for consideration. After reviewing this information and conducting reference checks DPW staff unanimously chose In/Ex Architecture P.C. for the project. The In/Ex Architectural price proposal indicates that a maximum not-to-exceed price to provide those services outlined in the RFP is \$116,660.00.

I am requesting that the FASC authorize the Supervisor to enter into an agreement with In/Ex Architectural P.C. for a cost not-to-exceed \$116,660.00 to provide those professional services in accordance with the scope outlined in the September 2021 Request for Proposal for the Town of Brighton Town Hall Evaluation and authorize the Finance department to complete the necessary 2022 budget amendments. It is our understanding that the Town has obtained ARRA funding that will be used to pay for the cost of the study.

I will be in attendance at your regularly scheduled January 3, 2022 meeting in the event that you have any questions regarding this correspondence. As always, your consideration of matters such as this is greatly appreciated.

Sincerely,

Michael E. Guyon, P.E.
