#### **Open Forum:**

#### **Minutes:**

- June minutes were approved

#### **Announcements:**

#### **Guest Speaker:**

#### **Old Business**

- **Updates- CAP**
  - Flyer and poster presented as potential outreach materials- will be shared with board members for review
  - Brendan and Evert will work to get an ad posted in the fall Town newsletter
  - Outreach-in-a-box is being created for SOC members to present the project at community events and include flyers, discussion prompts, information, etc.
  - Summer public event-farmer's market is likely the best location, topic of local food systems and agriculture. Try to get lots of activity at eh both and engage youth, engaging booth including games around food
  - Next steps include publicizing the event and finalizing materials for outreach-in-a-box
- **Updates- CH&C Mini Campaign**
  - Matt Corona and Brendan have a final draft of the scoping document and it will be reviewed and submitted for approved by NYSERDA
- **Updates- Pollinator Garden**
  - Lac De Ville site is likely out, and a new location will be chosen that helps the Town reduce mowing contracts
  - One major goal is to engage the public by showing the ability of reducing the maintenance of the

- built environment and the Town's financial savings
- Deerfield site may be a good choice, but not the most visible locations
- **Updates- Town Projects**
  - Town Hall Study: The project team is currently evaluating the building and all of the systems, hoping to do the renovations as sustainably as possible
  - EV charges: locations TBD, possible grant money in the works
