

**TOWN OF BRIGHTON TOWN BOARD
FINANCE AND ADMINISTRATIVE SERVICES COMMITTEE
MEETING AGENDA**

Meeting Date: Tuesday, November 1, 2022 (3:30 p.m.)

Location: *AUDITORIUM*, Brighton Town Hall

1. Approval of Minutes – Receive and file minutes of the October 18th, 2022 meeting.
2. Approve Dental 2023 rates and authorize related contracts (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the dental insurance rates for both active employees and retirees as related to dental benefits for 2023. For 2023 our Town rates will increase slightly by 2.6% (Single options increasing by \$1 monthly and Family options increasing by \$2 monthly) and an increase of \$.09 in the administrative fee (\$4.58 from \$4.49) charged by Excellus. Also authorize the Supervisor to execute any agreements as needed for these benefit plans (see letter from T. VanPutte).
3. Approve change to HSA contribution methodology and Hardship Advance request policy (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the amended HSA contribution policy by
 - a. increase the first contribution of the employee's annual contribution rate to 50% (was 25%) and;
 - b. adopt the Hardship Advance Contribution Policy as presentedPutting these changes into place may help alleviate some fear employees have regarding the participation in the high-deductible health plan (see letter & policy from T. VanPutte).
4. Approve MVP health plan rates for 2023 and authorize related contracts (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the health insurance for both active employees and pre-65 retirees as related to MVP for 2023. Also authorize the Supervisor to execute any agreements as needed for these benefit plans (see letter from T. VanPutte).
5. Approve Aetna Medicare Supplemental plan rates for 2023 for post-65 retirees and authorize related contracts (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the Aetna Medicare Supplemental insurance plan for the post-65 retirees for 2023. Also authorize the Supervisor to execute any agreements as needed for these benefit plans (see letter from T. VanPutte).
6. Approve Flexible Spending Administration participant monthly rate – Lifetime Benefit Solutions, Inc. for 2023 and authorize related contracts (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the per participant monthly rate of \$3.15 (no change from 2021 or 2022 rate of \$3.15) and a compliance service rate increasing to \$325 annually (no change from the 2022 rate) and authorize the Supervisor to execute the contract and any related documents (see letter from T. VanPutte).

7. Approve Teamsters' Health Plan rates for 2023 and authorize related contracts (Personnel Dept.) – Request from Tricia VanPutte for Town Board action to approve the health insurance 2023 rates related to the Teamsters' health plan for the Teamster Local 118 members as follows:
Single: \$773.76; 2-person: \$1,545.92; Family: \$2,125.42
Also authorize the Supervisor to execute any agreements as needed for these benefit plans (see letter from T. VanPutte).
8. Temporary promotion to the position of Planner, effective November 14, 2022 – Request from Mike Guyon for Town Board action to approve a temporary promotion of to the position of Planner effective November 14, 2022. Salary will be set at Group 7, Step 2 (35 hrs per week) \$60,897.20 annually as per the Non-represented full-time salary schedule. The promotion will remain temporary and upon permanent appointment the employee will serve the required probationary period (See letter from M. Guyon).
9. Authorize the purchase of Salt & Plow monitoring equipment & software subscription (Highway Dept.) – Request from Mike Guyon for Town Board action to approve the purchase of salt and plow monitoring hardware (\$13,654) and the related software subscription (\$3,360) from Precise MRM LLC. The first year total cost will be \$17,014 with the subscription to be charged annually. Precise is the sole source provider as related to the Town's current salter mechanisms used. This will provide accurate data related to the amount of salt discharged and allow for adjustments as needed. Also to authorize the Finance Department to make the necessary budget adjustments as this purchase was not planned (see letter from M. Guyon).
10. DISCUSSION: Due to the resignation of Jeff Frisch, the Planning Department will be seeking to refill this planning technician position.
11. Review/Change RPTL Exemption Limits for Senior Citizens and People with Disabilities (Assessor's Dept.) – Request from Pam Post to review memo and options regarding the increase of income limits for this group. There is information regarding what some other municipalities are doing as well as Pam's recommendation (see memo from P. Post).
12. Review & Approve Rules of Decorum at Public Meetings (Supervisor's Office) – Request to review and recommend Town Board action to adopt the Rules of Decorum at Public Meetings (see draft).
13. Approve budget transfer in Information Technology Budget (IT Dept.) – Request from Jeremy Lutz for Town Board action to approve a transfer in the amount of \$800 from A.INFO.1680.4.22 Telephone Services to A.INFO.1680.4.41 Maintenance/Repair Service to fund the software support for our phone system (see letter from J. Lutz).

14. Approve Stenzel's LOSAP amount to be split 50/50 amount the last known surviving heirs (Finance Dept.) – Request from Paula Parker for Town Board action to approve a resolution to split Harold Stenzel's LOSAP uncashed Volunteer Fire Fighter LOSAP pension benefit in the amount of \$1,440 equally between his last two known heirs (see letter from P. Parker).

**The next regularly scheduled meeting of the FASC will be held on
TUESDAY, November 15, 2022 at 3:30 p.m. in the
AUDITORIUM at the Brighton Town Hall.**

All members of the public are invited to attend FASC meetings.

****AS PER THE REGULAR SCHEDULE****

Brighton Town Board
Finance and Administrative Services Committee
Meeting Notes from the Tuesday, October 18, 2022 Meeting

ATTENDEES

FASC Committee members:

Jason DiPonzio (Chair)
Robin Wilt
William Moehle
Paula Parker (Staff to the Committee)

Other Town Councilmembers:

Christine Corrado

Department Heads/Other attendees:

Mike Guyon (Highway/Public Works)

The Town Board's Finance and Administrative Services Committee (the FASC) met at 3:30 p.m. and reviewed a number of contractual, procurement, finance and/or budget, and personnel related matters referred by Town departments and is prepared to make recommendations to the full Town Board as follows:

Approval of Minutes: Approval of Minutes – Receive and file the minutes of the October 4, 2022 meeting.

Town Bid/Proposal Authorizations and Awards:

No matters for this meeting.

Grant Authorizations and Acceptances:

No matters for this meeting.

Contracts and Contract Change Orders:

Authorize contract renewal No. 3 of 4 with Waste Management for Refuse and Recycling Services to the Town and Refuse Districts for 2023 (Public Works/Refuse Districts) – The FASC discussed with Mike Guyon, the request from Chad Roscoe for Town Board action to authorize the 2023 refuse contract services with Waste Management. The increase in price is 5.51% from 263.11 to 277.68 per unit per year for the refuse districts. This is the third of four possible renewals. As a note the Waste Management unit rate does not include the Town's administrative costs for the district (see letter from C. Roscoe). The FASC recommends the Town Board take favorable action on this matter.

Budget Amendments and Transfers:

Amend 2023 Preliminary Budget by increasing the General Fund by \$7,745 and adopt the budget for 2023 Fiscal Year (Finance Dept.) – The FASC discussed with Paula Parker her request for Town Board action to amend the 2023 Budget to increase the General Fund by \$7,745 to reflect the approved reorganization of the Facilities Department as approved by the Town Board on 10/12/2022 and to decrease the real property tax account in the General Fund by \$2,255. The

change in the General Fund will result in an increase in the Fund Balance appropriation of \$10,000 and will reduce the tax rate and levy slightly. In addition, decrease the Consolidated Refuse District by \$280 in both expense and real property tax revenue due to a merger of two parcels into one parcel (see letter from P. Parker).

The FASC recommends the Town Board take favorable action on this matter.

Personnel Matters:

Authorize the promotion of David Griffith from Laborer to Motor Equipment Operator (MEO) effective on October 31st, 2022 (Highway Dept.) – The FASC discussed with Mike Guyon his request for Town Board action to approve the promotion of David Griffith from a Laborer to a Motor Equipment Operator (MEO) in the Highway Department. The promotion will be effective October 31st, 2022, will serve a 26 week probationary period and is in accordance with the CSEA contract (see letter from M. Guyon).

The FASC recommends the Town Board take favorable action on this matter.

Authorize the promotion of William Sanborn from Laborer to Motor Equipment Operator (MEO) effective on October 31st, 2022 (Highway Dept.) – The FASC discussed with Mike Guyon his request for Town Board action to approve the promotion of William Sanborn from a Laborer to a Motor Equipment Operator (MEO) in the Highway Department. The promotion will be effective October 31st, 2022, will serve a 26 week probationary period and is in accordance with the CSEA contract (see letter from M. Guyon).

The FASC recommends the Town Board take favorable action on this matter.

Other Matters for Action of the Town Board:

No matters for this meeting.

Other Matters for Discussion Only:

No matters for this meeting.

Matters Tabled for Research and/or Discussion:

No matters for this meeting.

Executive Session: To discuss the employment of a particular person or employee

There was a motion at 4:00 pm by Robin Wilt to enter an executive session to discuss the employment of a particular person(s)/employee(s). This was seconded by Supervisor Moehle and all voted aye.

At 4:10 pm there was a motion by Robin Wilt to end the executive session. This was seconded by a Supervisor Moehle and all voted aye.

Upon reentering regular session the following was offered:

Approve an appointment to the position of Laborer in the Highway Department effective November 14, 2022 (Highway Dept.) – The FASC discussed with Mike Guyon his request for Town Board action to approve an appointment to the position of Laborer effective November 14, 2022 at a starting wage of \$20.23/hour (40 hour work week), in accordance with the CSEA bargaining agreement. This appointment is subject to the successful competition of a 52 week probationary period with all other terms and conditions as outlined in the CSEA bargaining agreement and appropriate Town Policies. This position is classified as non-competitive by Monroe County Civil Service Commission (see letter from M. Guyon).

The FASC recommends the Town Board take favorable action on this matter.

The meeting was adjourned at 4:10 pm.

**The next regularly scheduled meeting of the FASC will be held on
Tuesday, November 1st, 2022 at 3:30 PM
in the **AUDITORIUM**** at Brighton Town Hall.
All members of the public are invited to attend FASC meetings.

Re: Dental Plan Renewals for 2023

Dear Board Members:

The proposed renewal rates and plan summaries for 2023 for the self-funded dental plans that are currently being offered through the Town to eligible employees and retirees have been reviewed. Based on experience, the Town's insurance broker, Brown & Brown of NY, has recommended that the rates for these plans be increased slightly from:

- Base Plan: Single \$32 to \$33; Family \$79 to \$81
- Buy Up Plan (Police Base plan): Single \$35 to \$36; Family \$86 to \$88

Please note that within these rates is an administrative fee that is charged by the third party administrator, Excellus BCBS. Excellus is proposing a 2.0% increase in this fee for 2023 (from \$4.49 per month per contract to \$4.58 per month).

I am recommending that the Town Board authorize the renewal of the dental plans with the new recommended rates for 2023 and authorize the Supervisor to sign any related documents with Excellus BCBS.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Tricia Van Putte
Director of Personnel

CC: P. Parker

Re: Health Savings Account (HSA) Hardship Advance Contribution Request Policy

Dear Honorable Members:

I am requesting that your Honorable Body adopt the attached Health Savings Account (HSA) Hardship Advance Contribution Request Policy.

This policy was created in the event an employee who is enrolled in the Town's high deductible health plan encounters a significant medical expense that creates a financial hardship. Per the policy, the employee would be able to request an advancement of the remainder of the Town's annual health savings account contribution for the year by submitting the attached Health Savings Account Hardship Advance Contribution Request Form along with supporting documentation.

I will be happy to respond to any questions members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Tricia VanPutte
Director of Personnel

Cc: Paula Parker, Director of Finance

PERSONNEL POLICIES & PROCEDURES

Compensation Policies

Subject: Health Savings Account Hardship Advance Contribution Request Policy

Policy: Employees enrolled in the Town's High Deductible Health Care Plan receive contributions from the Town each payroll period into their Health Savings Account (HSA) that total the following annual amounts: Single \$800, Two Person \$1,600, Family \$2,000.

Annual amounts are divided as follows: 50% of the annual amounts are directly deposited into the employee's HSA bank account the first pay period of the year. The balance will be contributed in equal payments over the remaining pay periods.

Mid-year enrollee's or changes are pro-rated accordingly.

Contribution Request: In the event an employee enrolled in the High Deductible Health Care Plan incurs a significant medical expense, that employee may request hardship approval to receive an advance of the remainder of the Town's annual contribution to that employee's HSA. The Town will advance the remainder of the annual contribution under the following conditions:

- The employee must complete and submit the Health Savings Account Hardship Advance Contribution Request Form along with the following documentation:
 - Documentation showing current HSA account balance in all employee owned HSA accounts
 - Documentation showing their medical expenses beyond their HSA account balance

PERSONNEL POLICIES & PROCEDURES

Compensation Policies

Subject: Health Savings Account Hardship Advance Contribution Request Policy

- The Request Form states that the employee and/or their family have experienced significant medical expense in the current year, and they are requesting an advancement of the remaining Town contribution for the year.
- In no case can advancement be paid for contributions or expenses outside the current calendar year.

Contribution Approval:

Upon approval of this request, the Town will advance, in accordance with IRS regulations, the remainder of the calendar year employer contribution to the employee's Health Savings Account and stop all employer contributions for the remainder of the calendar year. If the hardship continues into the next calendar year, the employee must resubmit their request after January 1st of the next year. The total amount of the advanced employer contributions for any calendar year cannot exceed the total of what the employee would have normally received in total employer contributions for the calendar year.

TOWN OF BRIGHTON HEALTH SAVINGS ACCOUNT HARDSHIP ADVANCE CONTRIBUTION REQUEST

Policy:

Employees enrolled in the Town's High Deductible Health Care Plan receive contributions from the Town each payroll period into their Health Savings Account (HSA) that total the following annual amounts: Single \$800, Two Person \$1,600, Family \$2,000.

Annual amounts are divided as follows: 50% of the annual amounts are directly deposited into the employee's HSA bank account the first pay period of the year. The balance will be contributed in equal payments over the remaining pay periods.

Mid-year enrollee's or changes are pro-rated accordingly.

Hardship Distribution:

In the event an employee enrolled in the High Deductible Health Care Plan incurs a significant medical expense, that employee may request hardship approval to receive an advance of the remainder of the Town's annual contribution to that employee's HSA. The Town will advance the remainder of the annual contribution under the following conditions:

- The employee must complete and submit the Health Savings Account Hardship Advance Contribution Request Form along with the following documentation:
 1. Documentation showing current HSA account balance in all employee owned HSA accounts
 2. Documentation showing their medical expenses beyond their HSA account balance
- The Request Form states that the employee and/or their family have experienced significant medical expense in the current year, and they are requesting an advancement of the remaining Town contribution for the year.
- In no case can advancement be paid for contributions or expenses outside the current calendar year.

Contribution Approval:

Upon approval of this request, the Town will advance, in accordance with IRS regulations, the remainder of the calendar year employer contribution to the employee's Health Savings Account and stop all employer contributions for the remainder of the calendar year. If the hardship continues into the next calendar year, the employee must resubmit their request after January 1st of the next year. The total amount of the advanced employer contributions for any calendar year cannot exceed the total of what the employee would have normally received in total employer contributions for the calendar year.

Re: Health Plan Renewals for 2023

Dear Board Members:

Attached are the proposed renewal rates and plan summaries for 2023 for the health plans that are currently being offered through the Town to eligible employees and retirees (under 65).

I am recommending that the Town Board authorize the renewal of the current health plans, including the \$3,000/\$6,000 High Deductible Health Plan along with a Health Savings Account contribution to eligible active non-represented Town employees and authorize the Supervisor to sign any related documents with MVP. Regarding the Health Savings Account contributions, I am recommending that the contributions for 2023 remain as is: \$800.00 single, \$1,600.00 2-person and \$2,000.00 family with 50% (increased from 25% in 2022) of the amount being contributed in January and the remaining balance distributed equally over the remaining payroll pay periods.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Tricia Van Putte
Director of Personnel

Re: Medicare Health Plan Renewals for 2023

Dear Board Members:

Attached are the renewal rates and plan summary for 2023 for the Medicare Health plan that is currently offered through the Town to eligible post-65 retirees and post-65 retiree spouses.

I am recommending that the Town Board authorize this plan option and authorize the Supervisor to sign any related documents with the insurance carrier Aetna.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Tricia Van Putte
Director of Personnel

Re: Flexible Spending Administration - Lifetime Benefit Solutions, Inc. for 2023

Dear Board Members:

I am requesting that the Town Board authorize the continuation of the services of Lifetime Benefit Solutions Inc. for the administration of employee flexible spending accounts. The 2023 annual compliance service fee will remain the same as 2022 at \$325.00. The per participant monthly fee will also remain unchanged at \$3.15.

I am recommending that the Town Board authorize the continuation of services for 2023 and authorize the Supervisor to sign any related documents with Lifetime Benefit Solutions Inc.

I will be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Re: Building and Planning Department
Planner Position

Dear Councilperson DiPonzio and Committee Members:

Jeffrey Frisch has announced that he will be resigning as Planner effective November 18, 2022. Jeff is a valued member of the DPW department and will be sorely missed.

In response to Jeff's departure I am requesting that [REDACTED] be promoted provisionally to Planner and assume Jeff's responsibilities. We are recommending:

1. [REDACTED] Rochester New York 14607 be provisionally appointed to the position of Planner subject to Town Board action;
2. The annual salary shall be consistent with Step 2 of the Group 7 Annual wage for a 35-hour work week, \$60,897.20;
3. I would like to expedite this transition and appoint [REDACTED] to the position of planner effective on November 14, 2022.
4. The appointment is subject to a fifty-two (52) week probationary period beginning on the date of permanent appointment. The probationary period may be extended by the length of any absences from work;
5. This appointment and position are classified as "competitive" by the Monroe County Civil Service Commission and requires applicants to meet both minimum qualifications and pass an examination.

I am requesting that the FASC recommend that the Town Board provisionally appoint Jason Haremza to the position of Planner. I will be in attendance at the November 1, 2022 FASC meeting to address any questions.

Respectfully,

Michael E. Guyon

Cc Rick DiStefano
Tricia VanPutte

Building and Planning Department

Commissioner of Public Works – Michael Guyon, P.E.

Jeffrey K. Frisch Jr.
Planner

October 24, 2022

Dear Mr. Guyon and Mr. Distefano,

As we discussed, I will be resigning from my position as Planner effective November 18, which is 4 weeks from today. I accepted a role as a Climate Resilience Planner in Massachusetts as I look to relocate to the Boston area.

It was not an easy decision and if it was only for a job I would be staying. Thank you for the support and opportunities you gave me over the years. I came in without much municipal planning experience growing and learning from the expertise of all those around me. I would not have been successful in this position without the help of the great team and appreciate the confidence you had in me for my initial role and promotion to Planner. Everyone here is hardworking, supportive, and fun to be around even on the hardest days. You have put together an amazing team and it really shows how good staff and good hiring make for an excellent place to work and can make hard days easier than they should be.

Before I leave I will do what I can to make this transition as easy as possible and ensure that projects and responsibilities are handed off smoothly. Feel free to reach out after I leave if there is something you need my help with, my personal info is below.

Thanks again for everything and hope to keep in touch.

All the best,

Jeffrey K. Frisch Jr.

Re: Highway Department Salt Trucks
Salt and Plow Monitoring Equipment

Dear Councilperson DiPonzio and Committee Members:

The Highway Department is requesting authorization to purchase salt and plow control monitoring equipment to improve the placement of road salt and streamline our plowing operations.

At present, the highway department calculates the amount of salt used by counting the number of loader buckets of material placed in the salt truck. The volume of salt contained in a loader bucket is based on the size of the bucket and assumed to be equal for each load. In practice, the volume of salt within the bucket varies based on the loader operator. This method does not provide an accurate accounting of the volume of salt used each year. The 2021 Snow and Ice Summary provided by the MCDOT indicates that the Town of Brighton lead all Towns in the volume of salt placed on our roadways. Our staff has been trained to salt our roadways in accordance with our sensible salting policy and we believe that the Town's use of salt is overstated due to the volume computation method described above. The proposed monitoring equipment will provide an accurate accounting of the volume of salt used and provide data that can be used to better manage the distribution of material during a storm event. We anticipate that this will decrease the use of material and result in a reduction in our salt budget.

Moreover, the Town of Brighton is located within the Irondequoit Bay watershed. The bay ecosystem is very sensitive to the concentration of salt and a concerted effort by the County has been ongoing to reduce the amount of salt discharged to the bay. The proposed monitoring system will provide accurate data to monitor the amount of salt discharged to the bay and provide an opportunity to reduce the Town's contribution.

We have received a quote of \$13,654.00 to purchase the salt and plow monitoring equipment from Precise MRM LLC plus an annual subscription charge of \$3,360.00. A copy of this price quote is attached for your reference. The total first year cost will be \$17,014.00. Precise MRM is the sole source provider for the installation of this type of equipment on the current salter mechanism used by the Town.

October 28, 2022

We are requesting that the FASC recommend that the Town Board approve the purchase of the salt and plow monitoring equipment supplied by Precise MRM LLC including the annual subscription fee. We are also requesting that the Finance Department be authorized to make the necessary budget modifications to fund the purchase of this equipment including the annual subscription fee.

I will be in attendance at your regularly scheduled November 1, 2022 meeting in the event that you have any questions regarding this correspondence. As always, your consideration of matters such as this is greatly appreciated.

Sincerely,

Michael E. Guyon, P.E.

COUNTY TRANSPORTATION

SITUATION

Five years ago a county in Minnesota set out to get control of one of their largest variable costs, winter maintenance. The department plans, designs, builds and maintains a system that includes 440 miles of road, 81 bridges, 250 traffic signals and 25,000 signs. Each year residents and commuters travel about one billion miles on their county roads and highways. All of this adds up to a significant cost especially with the unpredictability of one winter to the next. During an era of significant budget pressure it became extremely important to understand and control winter maintenance costs.

CHALLENGE

Among the largest variable costs associated with winter maintenance is the cost of salt. Over the past 20 years salt usage has risen steadily to the point where in an average winter 350,000 tons of salt are dropped on the roads in the Twin Cities metropolitan area. Beyond the budget concerns of increased salt usage, there is also a growing debate over the long term impact salt usage is having on the watershed.

Water quality experts have become increasingly alarmed that the level of salt usage is turning the Twin Cities' lakes into a toxic soup. A recent University of Minnesota study found that 78% of the salt used on public roads stays in the water instead of flowing downstream ultimately into the

ocean. This has a dramatic affect on plant and wildlife within the lakes and rivers in the area.

SOLUTION

Winter maintenance professionals have been given a daunting task: find a seemingly impossible balance between public safety, fiscal responsibility and environmental conservation. FORCE America® provides complete systems to help organizations focused on winter maintenance to measure, control and ultimately reduce salt and other road treat chemical usage. FORCE America's focus is to provide tools to assure the right blend of materials are used in the minimum quantities to maximize public safety while minimizing cost and environmental impact.

For one county in Minnesota, step one was to benchmark the amount of salt being used during a typical winter storm event. The county estimated that in 2006, 450 tons were being used with an average winter consisting of 33 storm events. Next, in 2007 the county deployed SSC5100 spreader controllers by FORCE America. This deployment provided the County with a closed-loop system that provided much tighter control over how material was spread. This system constantly monitors and adjusts the spread rate of the material to coordinate it with variables such as the speed of the truck with the spinner and auger efficiency. The system also maintains totals of material used so the performance of each truck and each operator can be monitored.

Now that the county could monitor and control how much salt was being used, the third step was to determine where the salt was being used. FORCE America provides a fleet management solutions via its PreCise® MRM division that integrates comprehensive GPS tracking with the spreader controls. In very simple terms, the system provides organizations like this particular county with a simple yet accurate means of mapping any stretch of road in the county and determining how much salt was used over a given period of time.

Using detailed mapping and customizable reports, organizations can constantly monitor where salt is being distributed and how efficient each operator is at applying salt to the roads. Preventing waste helps assure only the minimum amount of material is used to keep the roads clear. The system also allows organizations to gather other important variables such as what roads have been plowed and the air and road temperature on each section of road. This information allows the county to avoid duplicating efforts and adjust the timing and mixture of the material used based on the conditions to optimize the results. This particular county installed the systems in 2009 and was able to instantly monitor their winter maintenance fleet via PreCise MRM's web-based tool.

RESULTS

The Minnesota county has had the system in place for more than two complete winter seasons including the severe winter of 2010/2011. In 2010 the county averaged 350 tons of salt per storm event, and only 310 tons per event in 2011. This is a reduction of 22% to 31% or 100 to 140 tons of salt per storm event to achieve the same results. Salt costs are typically \$62.50 per ton resulting in savings of \$6,250 to \$8,750 per storm event. With a typical winter consisting of 33 storm events, the county reduced its winter maintenance costs by \$206,000 to \$288,000 annually. And, lakes and rivers of the county have been spared 3,300 tons of salt. As a visual aid, this represents approximately 127 truckloads of salt not being dumped in Minnesota watershed.

There were other tangible benefits to deploying the system that included improved customer service by being able to provide better visibility to residents as to when a plow truck is to be in their area and reduced rock chip and speeding problems with the operators.

The county continues to be progressive in reducing their winter maintenance costs and improving their impact on the environment while maintaining safe roads and bridges. It is a never-ending battle but with the help of FORCE America, the county has the tools to successfully fight winter.

DESCHUTES COUNTY
ROAD MAINTENANCE DEPARTMENT
Deschutes County, Oregon

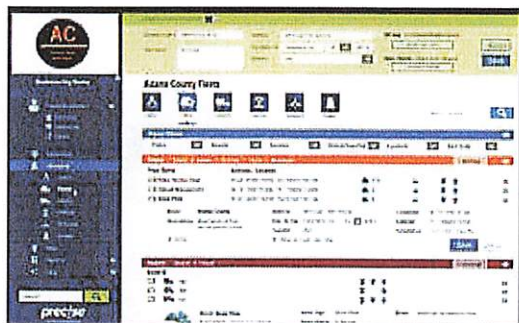

SITUATION

Dennis Morris is the Support Services Manager for the Deschutes County Road Department in central Oregon. His department is responsible for the county's road maintenance, which includes pavement preservation, surveying, signage creation and weed abatement.

The county sought to establish an efficient and accurate means of tracking equipment activity to reduce excessive litigation costs. However, it was relying on voice recorders and manual log entry to accomplish this, opening the door to human error and making it difficult to retrieve data in a timely manner. In some instances, staff would spend hours reviewing audio tape to verify whether equipment activity ever took place. In the hopes of better tracking this equipment activity, the county looked into a leading company's solution that used cell phone technology, but found it to be cost prohibitive.

CHALLENGE

The county needed to find a way to reduce excessive litigation costs as it struggled to establish an efficient and accurate means of tracking equipment activity.

PreCise MRM maintains a historical record of exactly where material was applied that is accurate to the second.

Fleet managers can get an up-to-date view of their equipment and can drill down to see the usage and history of each asset.

SOLUTION

Dennis's department installed PreCise® Mobile Resource Management on a variety of equipment, including de-icing machines, sanders and snow plows. The data recorded by PreCise MRM produced an easily recoverable and objectively verifiable record of evidence for use in court, saving the county significant expenses and even keeping some cases out of the courtroom entirely. "It makes it easy to deflect claims when you can produce documented evidence," Dennis said.

RESULTS

PreCise MRM completely eliminated manual log entry and use of the audio recorders, saving equipment operators significant time and hassle.

Other benefits that resulted from the installation of PreCise MRM include:

- Improved productivity: Since PreCise MRM tracks when and where equipment accessories are activated, managers can know immediately upon download if all scheduled roads have been de-iced, sanded, plowed, etc. If a road or subdivision was accidentally missed, the equipment can be redeployed during the same shift.
- Improved safety performance: Among other things, PreCise MRM makes it possible to track the speeds at which any piece of equipment is driven. So if equipment is being driven at too high of a speed, a manager can conference with the operator and encourage them to slow down.

Plow Through Critical Fleet Data With Ease

BENEFITS

Every time you use PreCise® MRM you save your municipality money and improve job performance. Here's how:

- Lower fuel costs by managing idle times, routes and driver behavior
- Plan operating budgets more effectively with accurate material usage reports
- Reduce costly tort claim liabilities
- Maximize equipment uptime
- Minimize driving outside planned routes
- Prevent breakdowns by scheduling reliable maintenance events
- Plan operating budgets more accurately
- Automate driver logs for greater accuracy
- Redeploy equipment to where it will be more effective
- Adhere more easily to environmental policies
- Improve customer service to citizens by effectively managing the completion of routes during storm events and sweeping operations

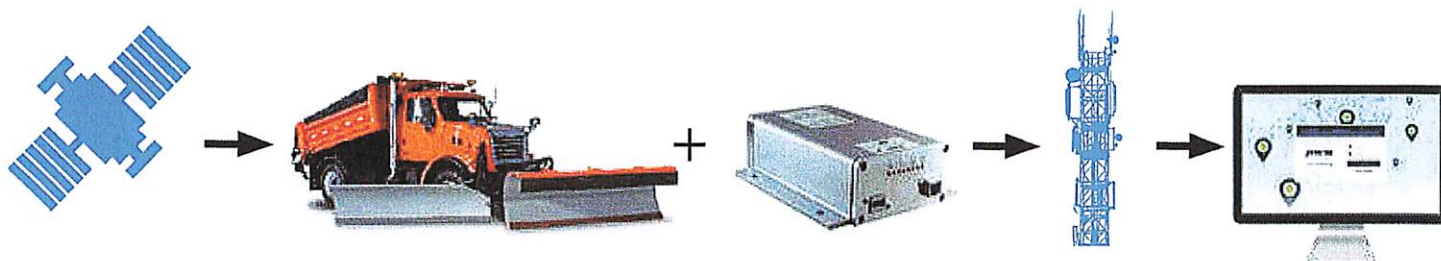

"How much material did we use during the last storm event?"

"Am I addressing critical road hazard issues such as downed signs, dangerous potholes, nonworking stoplights and damaged guardrails in a timely manner?"

"Which routes have my fleet of sweepers completed today?"

Let's face it, as a municipality you are held accountable for managing and reporting on a variety of items. In addition, you face tight deadlines, limited budgets, rising fuel, equipment costs and untimely weather delays. You need every advantage technology can bring you to gain better control over your mobile assets.

PreCise MRM understands the challenges you face, especially in today's ever changing market. That is why we offer a state-of-the-art information gathering system designed to track everything from the speed and location of your vehicles to the activity of your

equipment's accessories. Our system provides the data you need to better manage your mobile assets, improve your operating efficiencies and maintain a successful operation for years to come.

HERE'S HOW IT WORKS:

Installed in your equipment is a compact GPS device that gathers data critical to your everyday business decisions. This device captures equipment activity such as engine hours, odometer, accessory usage, as well as GPS location, heading, speed, date and time. PreCise MRM then securely transmits and stores this information in an enterprise-class data center where it is generated into easy-to-read, easy-to-understand reports and maps. This application is accessible anytime from anywhere in the world via standard web browsers, enabling you to better manage your mobile assets at all times.

Providing the industry's most accurate tracking and advanced reporting, PreCise MRM is your complete fleet management solution.

YAKIMA COUNTY

ROAD MAINTENANCE DEPARTMENT

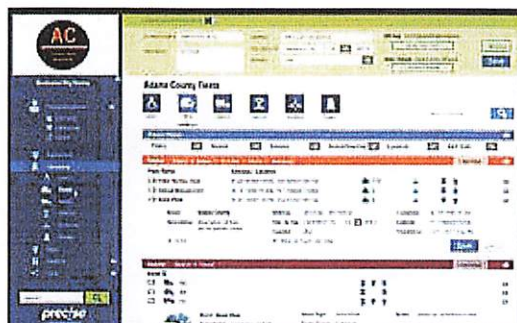

Yakima, Washington

SITUATION

Jason Alvord is a Road Maintenance Supervisor for Yakima County in South Central Washington state. His department is responsible for maintaining the infrastructure of the roadways, from pavement striping and snow removal to road maintenance and bridge repair. The department consists of 40 vehicles that are monitored so that more efficient scheduling and routing can be continually devised.

There were three main issues keeping Jason's department from realizing peak efficiency and cost savings:

- It took the drivers 30 minutes per day or more to manually log their routes of the day; this was particularly costly since the time involved was usually allocated to overtime
- When the county would receive paint and rock chip claims, there was no way to objectively verify them.
- Jason suspected that some drivers were finishing jobs hours before reporting back to the parking lot, resulting in lost vehicle productivity.

For billing and maintenance purposes, detailed hourly usage reports are available in an easy-to-read format.

Rental managers can get detailed information about equipment activity overlaid on road and satellite mapping images.

CHALLENGE

The county was losing productivity due to the lack of a reliable automated monitoring system. The department had to find a solution that stayed within budget constraints, both in terms of short-term installation and potential long-term upgrades.

SOLUTION

Jason's department purchased PreCise® MRM units for 37 of its vehicles.

BENEFITS

The purchase resulted in the following benefits:

- **Increased vehicle productivity:** Since idle time can be tracked by PreCise MRM, workers are motivated to immediately report back when a job is finished. In fact, Jason reports a 75% decrease in vehicle idle time since installing PreCise MRM. In addition to providing the county with significant cost savings, this allows for the reallocation of equipment to ongoing jobs that require additional resources.
- **Reduced labor costs:** PreCise MRM automatically downloads vehicle usage information, so drivers no longer spend 30 minutes of overtime manually logging their routes and activities of each day.
- **Improved claim verification:** With usage reports that show details such as what road a vehicle was on and at what time its equipment was in use, the validity of paint and rock chip claims could be easily verified.
- **Better employee morale:** Workers have responded positively to the automated tracking system since they no longer have to complete a substantial amount of paperwork after a long and tiring day. Intrigued by the advanced technology of the system, some workers have even requested to see and familiarize themselves with the automated usage reports.

**PRECISE MRM LLC
TERMS AND CONDITIONS**

Acceptance: These Terms and Conditions shall govern all contracts for the sale of any goods to Buyer by PreCise MRM LLC and/or its subsidiaries and divisions (collectively "Seller"). These Terms and Conditions shall control over any conflicting terms and condition set forth in any request for quotation, purchase order, confirmation or other transaction document submitted to Seller by Buyer.

Delays in Delivery: Seller shall not be responsible for any delay in delivery of goods to Buyer due to fires, strikes, riots, Acts of God, government orders or restrictions, delays in transportation delays by suppliers or materials or parts, inability to obtain necessary labor or other causes beyond Seller's control. In the event of such delay, the delivery date shall be extended for a reasonable period of time.

Damage or Loss in Transit: All risk of loss shall pass to Buyer at the time of delivery of the goods. Deliver of the goods to any carrier shall constitute delivery of the goods to Buyer, regardless of which party retained or hired the carrier.

Warranties: Seller warrants that any goods sold by Seller to Buyer shall be free from defects in material and workmanship for a period of one (1) year from the date of delivery. THIS WARRANTY SHALL BE THE SOLE AND EXCLUSIVE WARRANTY MADE BY SELLER TO BUYER. SELLER HEREBY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Exclusive Remedy: If within the aforementioned one-year warranty period, any goods sold by Seller are proven by Buyer to be defective to Seller's reasonable satisfaction, then such defective goods shall be repaired or replaced, at Seller's sole option. THIS REMEDY SHALL BE THE SOLE AND EXCLUSIVE REMEDY AVAILABLE TO BUYER. BUYER SHALL NOT, UNDER ANY CIRCUMSTANCES, BE ENTITLED TO RECOVER ANY INCIDENTAL, CONSEQUENTIAL OR CONTINGENT DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST PROFITS.

Payment: Buyer shall pay Seller's invoices within thirty (30) days of receipt. Buyer agrees to pay interest to Seller on any past-due amounts at the rate of 18% per year.

Security Interest: To secure payment of Seller's invoices, Buyer hereby grants Seller a security interest in all goods sold by Seller to Buyer. Buyer hereby authorizes Seller to file financing statements on behalf of Buyer to perfect Seller's security interest. In the event Buyer fails to timely pay Seller for any goods sold to Buyer, Seller may proceed, at its option, to utilize the remedies available to a secured party under Article 9 of the Uniform Commercial Code.

Freight Terms: All sales made by Seller to Buyer shall be F.O.B. Seller's Distribution Center.

Returned Goods: Goods may only be returned by Buyer with Seller's prior authorization and consent. Only unused goods in original containers of current design will be considered for return. Specially manufactured, custom or modified goods shall not be returnable. Buyer shall pay all transportation charges for any goods accepted for return by Seller. Buyer shall also pay a restocking charge equal to 15% of the original price of any goods accepted by Seller for return.

Taxes and Other Charges: Buyer shall be responsible for paying any taxes, duties, fees, or other charges imposed by any governmental entity based upon Buyer's purchase of any goods from Seller.

Legal Action: These Terms and Conditions and the terms of any contract for the sale of goods by Seller to Buyer shall be governed by and construed in accordance with Minnesota law. Any action relating to or arising out of any contract for the sale of goods by Seller to Buyer shall be venued in state or federal court in Minnesota. Buyer consents to the personal jurisdiction of Minnesota courts and waives any defense that venue in Minnesota is in any manner inconvenient. Buyer shall pay all attorney fees, costs and disbursements incurred by Seller in collecting any amounts due from Buyer, enforcing these Terms and Conditions and/or enforcing the terms of any contract for the sale of goods by Seller to Buyer. Any legal action by Buyer against Seller relating to or arising out of any contract for the sale of goods by Seller to Buyer shall be brought within one (1) year after the delivery of the goods or be forever barred.

**PRECISE MRM LLC
TERMS AND CONDITIONS**

Acceptance: These Terms and Conditions shall govern all contracts for the sale of any goods to Buyer by PreCise MRM LLC and/or its subsidiaries and divisions (collectively "Seller"). These Terms and Conditions shall control over any conflicting terms and condition set forth in any request for quotation, purchase order, confirmation or other transaction document submitted to Seller by Buyer.

Delays in Delivery: Seller shall not be responsible for any delay in delivery of goods to Buyer due to fires, strikes, riots, Acts of God, government orders or restrictions, delays in transportation delays by suppliers or materials or parts, inability to obtain necessary labor or other causes beyond Seller's control. In the event of such delay, the delivery date shall be extended for a reasonable period of time.

Damage or Loss in Transit: All risk of loss shall pass to Buyer at the time of delivery of the goods. Deliver of the goods to any carrier shall constitute delivery of the goods to Buyer, regardless of which party retained or hired the carrier.

Warranties: Seller warrants that any goods sold by Seller to Buyer shall be free from defects in material and workmanship for a period of one (1) year from the date of delivery. THIS WARRANTY SHALL BE THE SOLE AND EXCLUSIVE WARRANTY MADE BY SELLER TO BUYER. SELLER HEREBY DISCLAIMS ANY IMPLIED WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Exclusive Remedy: If within the aforementioned one-year warranty period, any goods sold by Seller are proven by Buyer to be defective to Seller's reasonable satisfaction, then such defective goods shall be repaired or replaced, at Seller's sole option. THIS REMEDY SHALL BE THE SOLE AND EXCLUSIVE REMEDY AVAILABLE TO BUYER. BUYER SHALL NOT, UNDER ANY CIRCUMSTANCES, BE ENTITLED TO RECOVER ANY INCIDENTAL, CONSEQUENTIAL OR CONTINGENT DAMAGES, INCLUDING, WITHOUT LIMITATION, LOST PROFITS.

Payment: Buyer shall pay Seller's invoices within thirty (30) days of receipt. Buyer agrees to pay interest to Seller on any past-due amounts at the rate of 18% per year.

Security Interest: To secure payment of Seller's invoices, Buyer hereby grants Seller a security interest in all goods sold by Seller to Buyer. Buyer hereby authorizes Seller to file financing statements on behalf of Buyer to perfect Seller's security interest. In the event Buyer fails to timely pay Seller for any goods sold to Buyer, Seller may proceed, at its option, to utilize the remedies available to a secured party under Article 9 of the Uniform Commercial Code.

Freight Terms: All sales made by Seller to Buyer shall be F.O.B. Seller's Distribution Center.

Returned Goods: Goods may only be returned by Buyer with Seller's prior authorization and consent. Only unused goods in original containers of current design will be considered for return. Specially manufactured, custom or modified goods shall not be returnable. Buyer shall pay all transportation charges for any goods accepted for return by Seller. Buyer shall also pay a restocking charge equal to 15% of the original price of any goods accepted by Seller for return.

Taxes and Other Charges: Buyer shall be responsible for paying any taxes, duties, fees, or other charges imposed by any governmental entity based upon Buyer's purchase of any goods from Seller.

Legal Action: These Terms and Conditions and the terms of any contract for the sale of goods by Seller to Buyer shall be governed by and construed in accordance with Minnesota law. Any action relating to or arising out of any contract for the sale of goods by Seller to Buyer shall be venued in state or federal court in Minnesota. Buyer consents to the personal jurisdiction of Minnesota courts and waives any defense that venue in Minnesota is in any manner inconvenient. Buyer shall pay all attorney fees, costs and disbursements incurred by Seller in collecting any amounts due from Buyer, enforcing these Terms and Conditions and/or enforcing the terms of any contract for the sale of goods by Seller to Buyer. Any legal action by Buyer against Seller relating to or arising out of any contract for the sale of goods by Seller to Buyer shall be brought within one (1) year after the delivery of the goods or be forever barred.

Re: Building and Planning Department
Planner Position

Dear Councilperson DiPonzio and Committee Members:

Jeffrey Frisch has announced that he will be resigning as Planner effective November 18, 2022. A copy of Jeff's resignation letter is attached. Jeff is a valued member of the DPW department and will be sorely missed.

We are requesting that FASC recommend that the Town Board authorize the Planning Department to seek a full time planning technician to fill the vacancy left by Jeffrey Frisch's departure. This position is included in the 2022 budget and no additional funding is being requested.

As always, thank you for your consideration. I will be in attendance at your regularly scheduled November 1, 2022 meeting in the event that you have any questions regarding this matter.

Respectfully,

Michael E. Guyon

Cc Rick DiStefano
Tricia VanPutte

Building and Planning Department

Commissioner of Public Works – Michael Guyon, P.E.

Jeffrey K. Frisch Jr.
Planner

October 24, 2022

Dear Mr. Guyon and Mr. Distefano,

As we discussed, I will be resigning from my position as Planner effective November 18, which is 4 weeks from today. I accepted a role as a Climate Resilience Planner in Massachusetts as I look to relocate to the Boston area.

It was not an easy decision and if it was only for a job I would be staying. Thank you for the support and opportunities you gave me over the years. I came in without much municipal planning experience growing and learning from the expertise of all those around me. I would not have been successful in this position without the help of the great team and appreciate the confidence you had in me for my initial role and promotion to Planner. Everyone here is hardworking, supportive, and fun to be around even on the hardest days. You have put together an amazing team and it really shows how good staff and good hiring make for an excellent place to work and can make hard days easier than they should be.

Before I leave I will do what I can to make this transition as easy as possible and ensure that projects and responsibilities are handed off smoothly. Feel free to reach out after I leave if there is something you need my help with, my personal info is below.

Thanks again for everything and hope to keep in touch.

All the best,

Jeffrey K. Frisch Jr.

TOWN OF BRIGHTON – ASSESSOR’S OFFICE

October 27, 2022

MEMO TO: FASC Committee

FROM: Pam Post

RE: Changing the RPTL Exemption Limits for Senior Citizens and People with Disabilities

Recently, Gov. Kathy Hochul has signed into law Bill S.3085A/A.3956A which allows towns, county and school districts the option to change the maximum income limit for people aged 65 or over and people with disabilities. The new law allows a change to between \$3,000 and \$50,000 for the base exemption. The Town of Brighton would have to pass 2 resolutions if they have a desire to make a change.

The current income limit is \$29,000 for the 50% adjustment with a sliding scale in place that grants smaller percentages in increments up to a 5% assessment reduction to those making up to \$37,399. This income level with the sliding scale has been in place since 2010.

The town of Brighton has 170 seniors with an aggregate assessment exemption of \$10,377,260. There are 16 disabled people with an aggregate assessment exemption of \$1,290,011. The discount realized by these applicants gets redistributed back to the tax base.

There are many uncertainties associated with the impact of making a change to the limit. We simply do not know. The only income information we have is from those already in the 2 programs. The only thing we are sure of is that an increased discount here will have to get absorbed by our residents who do not qualify for any savings.

To make some sort of educated guess, we can take a closer look at Report 9 provided by NYS. This report is generated from the tax returns of those that have enrolled in the Enhanced Star program, meaning they have turned 65 years old and earn less than \$92,300. This report lists those applicants who have an adjusted gross income of under \$58,400. There are 894 town of Brighton residents that appear on this list. From this report, I have created a spreadsheet as a way of estimating the impact of a change. There are 2 different tabs on the spreadsheet.

The first is “**worst case scenario**” if the income limit was raised to \$50,000 and all on the list qualified for the 50% - this would be an aggregate exemption of approximately **\$69,200,000**.

The second sheet is “**\$50,000 with the sliding scale**” (estimated using our current % scale as a ratio) – an aggregate exemption of approximately **\$64,400,000**.

To estimate a lesser limit, you would simply remove lines from the list. Which ones and how many? No way to tell until we look at the individual tax returns.

I have checked with other jurisdictions. So far I have been told:

Monroe County – will be raising the limit to \$50,000 with the sliding scale up to \$58,400

Perinton - Making no change this year. Waiting to see what the shift in taxable value is after the County makes the change to get a better sense of the impact.

Penfield – Will discuss this in November after the budget is done. Assessor recommending an increase to \$32,000 with the sliding scale. After this year, if the County moves to the top of the limit, the town will have a better idea of the impact.

Pittsford – Undecided whether to make a change or leave it where it is. Gathering information from other municipalities.

Brighton Schools – Making no change

After careful consideration, I would recommend we tread lightly on a change for 2023. A move to the top of the limit doesn't leave any room for changes in the future. Historically, changes in limits don't come around very often. It might be another 10 or 15 years before this is revisited again. It makes sense to have some options left for increases every few years. Our senior and disabled residents will already realize a hefty savings from the county portion of the tax bill.

I propose an increase to \$32,000 for the 50% exemption with the sliding scale.

\$32,000 or less – 50%

\$32,999 or less – 45%

\$33,999 or less – 40%

\$34,999 or less – 35%

\$35,899 or less – 30%

\$36,799 or less – 25%

\$37,699 or less – 20%

\$38,599 or less – 15%

\$39,499 or less – 10%

\$40,399 or less – 5%

All applications still will need to be filed by the deadline of March 1, 2023. We have already sent our renewals out to existing applicants. If any changes are made at the town, they will first be realized on the January 2024 Town/County Bill.

Town of Brighton

Board Rules and Procedures

Rules of Decorum at Public Meetings

Effective _____, 2022

This document establishes the decorum rules for the Town of Brighton Town Board meetings. The purpose of these rules is to allow for the orderly conduct of Town business that is convenient for the public, fair to all speakers and, above all else, essential for open, transparent and effective local governance.

Town Board meetings are required to be held in public for the purpose of allowing the public to observe the meetings. New York State law does not require that a Town Board set aside time at meetings for an open forum for public comment except for the case of public hearings. Public participation is the purpose of a public hearing, which is required prior to the adoption of a local law or ordinance and in other cases as specified by law.

In addition to public hearings required by law, the Town Board believes that an open forum for public comment should be scheduled for each meeting. However, it believes that it is important that all open forums and public hearings should abide by a set of rules that are designed to ensure that good order and civility is maintained at meetings. New York State Town Law Section 63 authorizes the Town Board to adopt rules for its procedures and these rules of decorum are adopted pursuant to said authorization.

The purpose of the open forum is to discuss Town business only. Personal attacks, personal accusations, irrelevant or unduly repetitious communications or other disruptive behaviors that potentially disrupt, disturb, interrupt or impede the orderly conduct of the business of the Board may, at the discretion of the Town Supervisor, incur a warning, recess of the meeting, or other appropriate actions to allow the Board to resume the orderly conduct of Town business.

Individual problems, concerns or questions of the public should initially be addressed to the Town Supervisor's office or appropriate Town Department rather than at Town Board meetings. This will allow the Supervisor or Department Head to gather the necessary information and /or personnel to address those concerns.

OPEN FORUM /PUBLIC HEARING/PUBLIC INFORMATION MEETING

The Town Supervisor is the Chair of every Town Board meeting. As such it is the Town Supervisor's right and responsibility to direct meetings and make decisions that will, in the exercise of discretion and judgment, inure to the benefit of all those attending.

Except for the case of public hearings or special public information meetings, the open forum portion of the meeting is the only time when comments will be permitted by the public unless a person is otherwise recognized by the Town Supervisor.

Open forum is an opportunity for the public to address Town business. Examples of Town business, include, but are not limited to: action items before the Town Board; information related to Town business and issues or concerns related to Town operations; and issues or concerns related to Town property or infrastructure.

Examples of things that are NOT Town business, include, but are not limited to: private property matters; County, State or Federal issues that do not affect the Town. The Town Supervisor, as Chair of the meeting, shall determine if the matter being discussed is Town business.

Each regular business meeting of the Board will include an open forum, in which any person may make a statement regarding an item on a past, present or future Board open-session agenda, or a matter of general policy over which the Board has jurisdiction. The following shall apply to open forums and public hearings:

1. To the extent practical, open forum and public hearings will be held early in the meeting agenda.
2. All speakers will be requested to state their name and address. In the discretion of the Supervisor, members of the public wishing to address the Town Board during either open forum or a public hearing may be required to sign up on a list of speakers administered by Town staff. When a sign-up sheet is not in use, any member of the public in attendance at the meeting that desires to speak shall raise a hand in person or virtually.
3. During a public hearing the Supervisor will generally call upon staff or the sponsor of a project or proposal before the Board to describe the matter which is the subject of the public hearing. These initial presentations shall be, to the extent practical, limited to 15 minutes. Public comments during both open forum and public hearings shall be limited to three minutes per person. The Supervisor in the exercise of discretion may allow additional time. A speaker's own time may not be given or traded to other speakers or reserved for other portions of the open forum or public hearing. The Supervisor shall act as the time keeper or designate another Town employee as official timekeeper.
4. Comments shall be directed to the Board as a whole and not to individual members.

5. Comments shall be presented in a courteous manner and not in a threatening, profane, demeaning or abusive manner.
6. Generally, it is the role of the Board to simply listen to the comments made without response. It shall be the prerogative of the Town Supervisor if it is appropriate to respond to a question.
7. Members of the public in attendance at any meeting shall conduct themselves in a civil manner and shall avoid disruptive behavior and outbursts. While members of the public in attendance may support or disagree with a speaker, audible support or disagreement including but not limited to clapping, booing, whistling, stomping of feet, shouting out and other disruptive behavior is prohibited. If members of the public in attendance wish to display signs, banners, posters or other material, such signs, banners, posters and other materials shall be so positioned so as to not interfere with the ability of other members of the public from viewing and hearing the proceedings of the Town Board. The Supervisor may direct where in the meeting room said signs, banners, posters and other materials are displayed to cause minimal disruption and interference with the ability of other members of the public to view and hear the Town Board proceedings. Similarly, the Supervisor may direct where in the meeting room members of the public and media may set up cameras, microphones and other devices to minimize interference with the ability of members of the public to view and hear the Town Board proceedings.
8. Speakers may, but are not required to, submit to the Town Clerk comments in writing at or prior to the meeting.
9. Comments should be respectful. While a speaker may disagree with or support prior speakers, all comments must be directed to the Town Board and not to members of the audience or prior speakers.
10. At the discretion of the Town Supervisor, speakers may be allowed to speak a second time, once everyone has been allowed to speak once.
11. If, in the opinion of the Town Supervisor, comments by a member of the public during the open forum or public hearing are not related to Town business, the subject matter of the public hearing or in any other way violate these Rules, the Town Supervisor will notify the speaker to either re-direct the comments to Town business or otherwise follow the Rules. If the speaker or member of the public in attendance at the meeting persists to violate these Rules, said person will be warned of the violation and be asked by the Supervisor to cease said violation of the Rules. If after said warning, the person continues to violate the Rules, the Town Supervisor may have the person removed from the Town Board meeting room or virtual meeting platform.
12. In the Supervisor's discretion, the Supervisor may terminate an open forum at any time in the interest of public safety and/or welfare.

Re: Relcomm Phone System Software Assurance

In order to cover the costs of our ongoing software assurance agreement with our phone service provider, I request to transfer \$800 from Telephone Services (A.INFO.1680 4.22) to Maintenance/Repair Services (A.INFO.1680 4.41). This will allow us to stay current on our software support for our phone system.

Thank you,

Jeremy Lutz

Re: Harold Stenzel's LOSAP Benefit split amongst remaining known heirs

Dear Honorable Members,

I am recommending that Your Honorable Body authorize the remaining amount from Mr. Harold Stenzel's LOSAP Volunteer Fire Fighter Pension benefit be distributed equally among the remaining known living heirs. An extensive search has been made to locate all of the five possible heirs, however only two were located.

The funds that are remaining in Mr. Stenzel's LOSAP account consist of the Volunteer Fire Fighter pension benefit amount that was due to Mr. Stenzel, however Mr. Stenzel passed away before this benefit was actually received by Mr. Stenzel. The total amount of this remaining benefit is \$1,440.

Suzanne Zaso has been working closely with Ken Gordon and Kati at PenFlex to resolve this issue and we are all in agreement that this is the best way to proceed to resolve this matter. Also it is important to note that this pension benefit amount is not related to the liquidation and closeout of the LOSAP that was approved earlier this year.

I would be happy to respond to any questions that members of the Committee or other members of the Town Board may have regarding this matter.

Sincerely,

Paula Parker
Finance Director
