Town Council

A Resident from Drury Lane and Penfield Road expressed a concern about lack of traffic lights along Penfield Road and asked for this to be reviewed. This would be a county road and would require them to review for any potential improvements. There was some additional discussion about a request to install a pedestrian crossing with flashing lights at Corbett Glen but would need to be a 2024 budget item. The volume of daily traffic could allow for additional funding to be provided by Monroe County, if traffic counts are met.
