LGBTQIA+: Truth vs. Tolerance

The act of tolerance harms the freedom for individuals to live in their truths. This notion is true, particularly in the LGBTQIA+ community. Allyship heightens an understanding of the realities of our LGBTQIA+ neighbors, colleagues, family members, and friends. This segment will platform the realities of LGBTQIA+ members, and allies, strengthening our approach to being an equitable and inclusive community.

Tuesday, March 18 at 5:30 pm
